BLESSINGS
Catering

Blessings catering offers three unique menus (southern, cajun, and homemade favorites). All the delicious dishes are prepared with love in an original “ol’ New Orleans style kitchen”. Our “age-old recipes and secret ingredients” provide a true culinary experience complemented by “authentic southern hospitality”.

We offer a wide array of dishes ranging from fried chicken and greens, to shrimp creole or homemade meatloaf to quench your “insatiable craving appetite for true southern cuisine”. Unlike other caterers who offer streamlined menus, with Blessings Catering you can feel free to mix and match items best suited for your event from our virtual a la carte menu.
